

Kigali Declaration for Sustainable Fisheries Industry

The Representatives of the world's fisheries co-operatives, attending the ICA-ICFO in Kigali, Rwanda, once again recognized the importance and necessity of the fisheries, and in order to ensure the stable supply of safe fishery products to humanity, declared to;

- ✓ **Actively support the Intergovernmental Panel on Climate Change(IPCC),**
- ✓ **Designate "World Fisheries Food Safety Day"**
- ✓ **Oppose the installation of offshore wind power, prohibit the sea sand collection and eradicate illegal fishing to secure fishery resources,**
- ✓ **Develop seafood for new demand**
- ✓ **Foster inland aquaculture industry**

**13. 10. 2019
Kigali, Rwanda
ICA-ICFO**
