# REVIEW OF IN COOPERATION

THE OFFICIAL  
INTERNATIONAL CO

37th YEAR.

1944—Rochdale

A Greeting fr

Acting President, Intern  
General Secretary, B

THE dawn of 1944 heralds the first say first Centenary advisedly for s time when co-operators must not a time when they must eagerly anticipat for the spread of our great Co-operative development of our strength.

The Co-operative Centenary is diff a living movement and a splendid social states may perish with the passing of th time to live and enlighten humanity.

Perhaps there is some hidden desig Centenary to fall at such a period in hum tions are rocking and powerful nations bay. Whether that is so or not, the dar the flame of Co-operation shine out more men's souls and warming their hearts

The desire we had all cherished th the Centenary Year has not been realis Co-operative Assembly in 1944 is a rer will be possible for some of the leaders such honour to the Rochdale Pioneers t the homeland of Co-operation.

In every country where Co-operation Celebrations may be simple, but by th Co-operation and strengthen the faith c

The Rochdale Jubilee must be a gre consider what has already been achiev fears for the future? If we are armed courage to master overwhelming obstacl Principles—future co-operative progress which will diminish by comparison a

Let us all co-operate as—"Heirs of the Future." I wish Co-operators
